

2018 WINTER WORKSHOP
Fruit Tree Pruning (for structure, health and fruit production)

Workshop Leader: Linda Pritchard

Owner of Lavenders Blue Landscaping

(Winner 2017 & 2016 People's Choice Award – Comox Valley)

Date: Saturday, March 3, 2018 (rain or shine)

Time: 10:30am – 12:30am

Cost: \$10.00/person

Bring: A sharp pair of bypass pruners

Spaces Available: 15

Workshop Description:

Learn the skills and tips you need to prune and maintain your young and mature fruit trees under the guidance of a 36 year landscaping veteran. Learn to avoid the spread of viruses and disease using proper tool sterilizing techniques.

This workshop emphasizes structural pruning and pruning for fruit production.

Participants will get an opportunity for hands-on training on plum, cherry, apple and pear trees.

Note: A handout will be provided

Brought to you by:

Comox Valley Horticulture Society

See Workshop Coordinators Sonia Gonsalves and June Ballantyne at the next CVHS meeting (February 19th) to reserve and pay for your space.
